OPERATIONS AND FACILITIES

Transportation provides transportation to clients who are disabled or use assistive devices.

Cabinet shop makes repairs to chairs and beds.

Mason shop makes handicap ramps providing wheelchair access around campus (build and level sidewalks, curb cuts, etc.)

Paint shop makes handicap parking signs.

Carpentry and Plumbing shop converts existing bathrooms to handicap accessible.

HVAC installs handicap water fountains.

Handicap accessible for staff housing (inside and outside)

Strobe lights and audible alarms on our fire alarm system in all buildings.
