

LIST OF APPROVED DRUG TESTING COLLECTION SITES FOR TEMPORARY CASH ASSISTANCE (TCA) PROGRAM

(Updated on an Ongoing Basis - Last Update: September 1, 2011)

IMPORTANT:

- Do not schedule an appointment for a drug test, pay for a drug test, or provide urine for a drug test *until your access eligibility specialist notifies you to do so.*
- Once you have been directed by an eligibility specialist to take a drug test, please make sure you bring your TANF-TCA information (case number or ACCESS web application number) and personal identification with you to present at the drug testing site.
- Be sure to read the Methods of Payment Accepted section of the collection site you select. Some collection sites require you to pay online using a credit or debit card before you arrive at the collection site. Also, some collection sites require you to bring the letter from ACCESS notifying you that you need to take the test.
- This list of approved collection sites is updated on an ongoing basis. Prices can change and collection sites may be added or removed. *Before selecting a drug testing collection site, please make sure you use only the most current version available online at the website below.*
