The Community Alliance created by Florida Statute)(b) is charged with joint planning for resource utilization in the community, including resources appropriated to the department and any funds that local funding sources choose to provide; needs assessment and establishment of community priorities for services delivery; determining community outcome goals to supplement state-required outcomes; serving as a catalyst for community resource development; providing for community education and advocacy on issues related to delivery of services; and promoting prevention and early intervention services.

Note: If anyone decides to appeal a decision made by the Community Alliance with respect to any matter considered at such meeting or hearing, s/he will need a record of the proceedings including all testimony and evidence upon which the appeal is to be based. To that end, the person will want to ensure that a verbatim record of the proceedings is made.

Note: If you need special accommodations (i.e. assistive listening devices, sign language interpreter, etc.), please notify us at voice (386) 481-9198 or Florida Relay Service: 1-800-955-8771.

Mission: Protect the Vulnerable, Promote Strong and Economically Self-Sufficient Families, and Advance Personal and Family Recovery and Resiliency

The mission of the Community Alliance is to support a comprehensive continuum of services to strengthen children and families through advocacy, education, assessment and forging community collaboration with organizations and individuals that share the vision and mission of the Community Alliance.
